

## Guidelines

Berkshire Christian College scholarships assist qualified undergraduate students who enroll at Eastern University. Financial assistance will be awarded *in addition to* other provisions of the Eastern University financial aid package for our students.

### **Criteria for Berkshire Scholarship awards:**

1. Applicants for Berkshire Christian College Scholarships to be used at Eastern University will be one of the following:
  - Part of an Advent Christian congregation or ministry
  - A family member of a Berkshire Christian College alumnus
  - A family member of a Berkshire Christian College Trustee or a member of an Advent Christian family not currently active in an Advent Christian congregation
2. Before applying to Berkshire Christian College for financial assistance, the applicant must seek scholarship funds from Eastern University and be notified that admission has been granted.

### **Requirements of Berkshire Scholarship recipients:**

1. Scholarship applications should be submitted by May 1 for the full academic year or for the fall semester along; and by October 1 for the spring semester alone. The Scholarship Committee of Berkshire Christian College will make award decisions by June 15 for the fall semester and/or the academic year and by November 15 for the spring semester.
2. The Scholarship applicant must participate in activities of the Berkshire Christian Center. Such participation must include enrollment in at least one seminar per year, if offered and participation in periodic individual and group meetings as called by the Berkshire Program Director. Every effort will be made not to conflict with class schedules.
3. Scholarship applicants must be committed to serving Christ and His church following graduation, and should be open to the possibility of service within the Advent Christian Church.
4. Scholarship recipients must remain in good academic standing in order to qualify for additional scholarship awards and submit a copy of grades each semester.
5. The renewal of the scholarship is not automatic. Applications for additional financial assistance must be filed annually and a copy of grades each semester.

Please feel free to ask questions about these requirements. Any exception to the above must be approved in advance by the Berkshire Christian College Scholarship Committee.

We are very pleased that you have chosen to attend Eastern University. It is our hope and prayer that your college years will be very rewarding and prepare you well for a lifetime of
